Manchanda A, Soran O. Enhanced external counterpulsation and future directions: step beyond medical management for patients with angina and heart failure. *J Am Coll Cardiol* 2007;50:1523–31.

Figure 2 from this article on page 1525 had previously appeared in a 2003 article in the *Journal*. The final line of this figure caption should have contained the following credit line:

Reproduced with permission from Bonetti et al. Enhanced external counterpulsation for ischemic heart disease: what's behind the curtain? *J Am Coll Cardiol* 2003;41:1918–25.

The authors apologize for this omission.
