

CORRECTION

Alpert JS, Jaffe AS

1-h High-Sensitivity Troponin Rule-Out and Rule-In Approach: Strengths and Potential Weaknesses

J Am Coll Cardiol 2018;72:633-5.

On page 634, right column, the second sentence read:

If so, these data would contradict other analyses (13) and the European Society of Cardiology guidelines, which suggest not using a single sample cutoff for patients who present >3 h after the onset of symptoms (3).

But should have read:

If so, these data would contradict other analyses (13) and the European Society of Cardiology guidelines, which suggest not using a single sample cutoff for patients who present <3 h after the onset of symptoms (3).

The authors apologize for this error.

The online version of the article has been corrected to reflect this change.
